Item 1.01 Entry into a Material Definitive Agreement

As reported on the Form 8-K of Unital Corporation (the “Company” or the “Registrant”) dated August 30, 2018, Unital Corporation’s New Hampshire based electric utility subsidiary, Unital Energy Systems, Inc. (“Unital Energy”), priced \$30 million of its 4.18% Series Q First Mortgage Bonds due November 30, 2048 (the “Bonds”) through a private placement marketing process to institutional investors.

On November 30, 2018, Unital Energy issued and sold \$30 million of the Bonds to institutional investors pursuant to:

- the Bond Purchase Agreement dated November 30, 2018 among the following parties (the “Bond Purchase Agreement”): (a) Unital Energy; (b) U.S. Bank National Association (as trustee), (c) (i) United of Omaha Life Insurance Company, (ii) Companion Life Insurance Company, (iii) The State Life Insurance Company, (iv) American United Life Insurance Company, and (v) CMFG Life Insurance Company (the persons in this clause (c) are referred to as the “Purchasers”); and
- the Fifteenth Supplemental Indenture dated as of November 29, 2018 among the following parties (the “Fifteenth Supplemental Indenture”): (i) Unital Energy; and (ii) U.S. Bank National Association (as trustee).

The Bond Purchase Agreement, the Fifteenth Supplemental Indenture and the Bonds (collectively, the “Bond Documents”) collectively contain customary representations and warranties, covenants and events of default for a transaction of this type. The Bonds may or will become immediately due and payable upon an event of default, as described in the Bond Documents. The Bond Documents also contain a “fall-away” structure whereby the collateral securing the Bonds will be released after all other first mortgage bonds of Unital Energy are paid, subject to certain additional conditions described in the Bond Purchase Agreement.

The foregoing summary of the Bond Documents does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Bond Documents, which are attached or incorporated by reference as exhibits to this Form 8-K. Certain of the Purchasers (or their affiliates) are holders of other indebtedness of the Company or its subsidiaries.

Unital Energy plans to use the net proceeds from the offering to repay short-term debt and for general corporate purposes.

Unital Energy offered the Bonds principally to institutional investors in an offering made pursuant to the exemption from registration requirements under Section 4(a)(2) of the Securities Act of 1933, as amended (“Act”).

The Bonds offered have not been and will not be registered under the Act, or any state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Act and applicable state securities laws.

The Company intends this notice to comply with Rule 135c of the Act and, accordingly, this notice does not constitute an offer to sell or the solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale of any securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

The Bond Documents attached or incorporated by reference as exhibits to this Form 8-K provide investors with information regarding their terms. The representations, warranties and covenants contained in the Bond Documents were made only for purposes of the Bond Documents and as of specific dates, were solely for the benefit of the parties to the Bond Purchase Agreement, and are subject to limitations agreed upon by the parties to the Bond Purchase Agreement. Moreover, the representations and warranties contained in the Bond Documents were made for the purpose of allocating contractual risk between the parties to the Bond Purchase Agreement instead of establishing matters as facts, and may be subject to standards of materiality applicable to the parties to the Bond Purchase Agreement that differ from those applicable to investors generally. Investors (other than the parties to the Bond Purchase Agreement) are not third-party beneficiaries under the Bond Documents and should not rely on the representations, warranties and covenants contained therein or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or any of its subsidiaries or affiliates.

DATED AS OF NOVEMBER 30, 2018

To the Purchasers named in Schedule A
attached hereto

Ladies and Gentlemen:

Unitil Energy Systems, Inc. (the "Company"), a New Hampshire corporation, agrees with the Purchasers named on Schedule A of this Agreement (the "Purchasers") as follows:

SECTION 1. AUTHORIZATION OF SERIES Q BONDS.

The Company has authorized the issue and sale of \$30,000,000 aggregate principal amount of its First Mortgage Bonds, Series Q, due November 30, 2048 (each of the First Mortgage Bonds, Series Q, as amended, restated or otherwise modified from time to time pursuant to Section 17, are collective referred to as the "Series Q Bonds", such term to include any such bonds issued in substitution therefor pursuant to Section 13), such Series Q Bonds to be substantially in the form attached as Exhibit B hereto. Reference is made to the form of Fifteenth Supplemental Indenture, attached hereto as Exhibit A, to the Indenture of Mortgage and Deed of Trust dated as of July 15, 1958 (the "Original Indenture") from the Company to Old Colony Trust Company, which has been succeeded by U.S. Bank National Association, a national banking association, having an office and place of business in Boston, Massachusetts (the "Trustee"). The Fifteenth Supplemental Indenture, in the form attached hereto as Exhibit A (with such changes to such form as the Purchasers and the Company may agree to prior to the Closing), is herein referred to as the "Fifteenth Supplemental Indenture". The Original Indenture, as supplemented by eleven Supplemental Indentures thereto, as amended and restated by the Twelfth Supplemental Indenture, and as further supplemented by the Thirteenth Supplemental Indenture, the Fourteenth Supplemental Indenture and as may be further supplemented from time to time, is referred to as the "Indenture". Certain capitalized and other terms used herein are defined in Schedule B hereto.

Subject to the occurrence of the Collateral Release Date in accordance with Section 9.1.1, the Series Q Bonds will be issued hereunder and secured by the Indenture and the Fifteenth Supplemental Indenture.

SECTION 2. SALE AND PURCHASE OF SERIES Q BONDS.

Subject to the terms and conditions of this Agreement, the Company will issue and sell to each Purchaser and each Purchaser will purchase from the Company, at the Closing provided for in Section 3, Series Q Bonds in the principal amount specified opposite such Purchaser's name in Schedule A at the purchase price of 100% of the principal amount thereof. The Purchasers' obligations hereunder are several and not joint obligations and no Purchaser shall have any liability to any Person for the performance or non-performance of any obligation by any other Purchaser hereunder.

SECTION 3. CLOSING.

The sale and purchase of the Series Q Bonds to be purchased by each Purchaser shall occur at the offices of Chapman and Cutler LLP, 111 West Monroe Street, Chicago, Illinois 60603 at 10:00 a.m., Central time, at a closing (the "Closing") on November 30, 2018 or on such other Business Day thereafter on or prior to December 31, 2018 as may be agreed upon by the Company and the Purchasers. At the Closing the Company will deliver to each Purchaser the Series Q Bonds to be purchased by such Purchaser in the form of a single Series Q Bond (or such greater number of Series Q Bonds in denominations of at least \$500,000 as such Purchaser may request) dated the date of the Closing and registered in such Purchaser's name (or in the name of its nominee), against delivery by such Purchaser to the Company or its order of immediately available funds in the amount of the purchase price therefor by wire transfer to account number 000050596629 at Bank of America, 100 N. Tyron St., Charlotte, NC, ABA Routing Number 026009593, Account Name: Unitil Energy Systems, Inc. If at the Closing the Company shall fail to tender such Series Q Bonds to any Purchaser as provided above in this Section 3, or any of the conditions specified in Section 4 shall not have been fulfilled to such Purchaser's reasonable satisfaction, such Purchaser shall, at its election, be relieved of all further obligations under this Agreement, without thereby waiving any rights such Purchaser may have by reason of such failure or such nonfulfillment.

SECTION 4. CONDITIONS TO CLOSING.

Each Purchaser's obligation to purchase and pay for the Series Q Bonds to be sold to such Purchaser at the Closing is subject to the fulfillment to such Purchaser's reasonable satisfaction, prior to or at the Closing, of the following conditions:

Section 4.1. Representations and Warranties. The representations and warranties of the Company in this Agreement shall be correct when made and at the time of the Closing (except to the extent any representation or warranty expressly relates to a different date, in which case such representation or warrant shall be correct as of such different date).

Section 4.2. Performance; No Default. The Company shall have performed and complied with all agreements and conditions contained in this Agreement required to be performed or complied with by it prior to or at the Closing. After giving effect to the issue and sale of the Series Q Bonds (and the application of the proceeds thereof as contemplated by Section 5.14), no Default or Event of Default shall have occurred and be continuing. Neither the Company nor any Subsidiary shall have entered into any transaction since the date of this Agreement that would have been prohibited by Section 10 had such Section applied since such date.

Section 4.3. Compliance Certificates.

(a) Officer's Certificate. The Company shall have delivered to such Purchaser an Officer's Certificate, dated the date of the Closing, certifying that the conditions specified in Sections 4.1, 4.2 and 4.9 have been fulfilled.

(b) Secretary's Certificate. The Company shall have delivered to such Purchaser a certificate of its Secretary or Assistant Secretary, dated the date of Closing, certifying as to the resolutions attached thereto and other corporate proceedings relating to the authorization, execution and delivery of the Series Q Bonds and this Agreement.

Section 4.4. Opinions of Counsel. Such Purchaser shall have received opinions in form and substance reasonably satisfactory to such Purchaser, dated the date of the Closing (a) from Duane Morris LLP, special counsel for the Company, covering the matters set forth in Exhibit 4.4(a) and covering such other matters incident to the transactions contemplated hereby as such Purchaser or its counsel may reasonably request (and the Company hereby instructs its counsel to deliver such opinion to the Purchasers), (b) from Gary Epler, Chief Regulatory Counsel for Unitil Service Corp., and/or from Ransmeier & Spellman P.C., special real estate counsel for the Company, covering the matters set forth in Exhibit 4.4(b) and covering such other matters incident to the transactions contemplated hereby as such Purchaser or its counsel may reasonably request (and the Company hereby instructs Gary Epler to deliver such opinion to the Purchasers) and (c) from Chapman and Cutler LLP, the Purchasers' special counsel in connection with such transactions, substantially in the form set forth in Exhibit 4.4(c) and covering such other matters incident to such transactions as such Purchaser may reasonably request.

Section 4.5. Purchase Permitted By Applicable Law, Etc. On the date of the Closing such Purchaser's purchase of Series Q Bonds shall (a) be permitted by the laws and regulations of each jurisdiction to which such Purchaser is subject, without recourse to provisions (such as section 1405(a)(8) of the New York Insurance Law) permitting limited investments by insurance companies without restriction as to the character of the particular investment, (b) not violate any applicable law or regulation (including, without limitation, Regulation T, U or X of the Board of Governors of the Federal Reserve System) and (c) not subject such Purchaser to any tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the date hereof. If requested by such Purchaser, such Purchaser shall have received an Officer's Certificate certifying as to such matters of fact as such Purchaser may reasonably specify to enable such Purchaser to determine whether such purchase is so permitted.

Section 4.6. Sale of Other Series Q Bonds. Contemporaneously with the Closing the Company shall sell to each other Purchaser and each other Purchaser shall purchase the Series Q Bonds to be purchased by it at the Closing as specified in Schedule A.

Section 4.7. Payment of Special Counsel Fees. Without limiting the provisions of Section 15.1, the Company shall have paid on or before the Closing the reasonable fees, charges and disbursements of the Purchasers' special counsel referred to in Section 4.4 to the extent reflected in a statement of such counsel rendered to the Company at least one Business Day prior to the Closing.

Section 4.8. Private Placement Number. A Private Placement Number issued by Standard & Poor's CUSIP Service Bureau (in cooperation with the SVO) shall have been obtained for the Series Q Bonds.

Section 4.9. Changes in Corporate Structure. The Company shall not have changed its jurisdiction of incorporation or organization, as applicable, or been a party to any merger or consolidation or succeeded to all or any substantial part of the liabilities of any other entity, at any time following the date of the most recent financial statements referred to in Schedule 5.5.

Section 4.10. Funding Instructions. At least three Business Days prior to the date of the Closing, each Purchaser shall have received written instructions signed by a Responsible Officer on letterhead of the Company confirming the information specified in Section 3 including (i) the name and address of the transferee bank, (ii) such transferee bank's ABA number and (iii) the account name and number into which the purchase price for the Series Q Bonds is to be deposited.

Section 4.11. Regulatory Approvals. The issue and sale of the Series Q Bonds shall have been duly authorized by order of the New Hampshire Public Utilities Commission (the "NHPUC"), such order shall be in full force and effect at the time of the Closing and all appeal periods applicable to such order shall have expired.

Section 4.12. Compliance with the Indenture. The Company shall have performed and complied with all agreements and conditions contained in the Indenture which are required to be performed or complied with by the Company for the issuance of the Series Q Bonds including but not limited to compliance with the Earnings Available for Interest Charges test required under Section 4.04 of the Indenture for the issuance of the subject Series Q Bonds (the "EAIC Test").

Section 4.13. Execution and Delivery of the Fifteenth Supplemental Indenture; Filing and Recording of UCC Financing Statements and the Fifteenth Supplemental Indenture. The Fifteenth Supplemental Indenture shall have been duly executed and delivered by the Company and the Trustee. All UCC Financing Statements, the Indenture, the Fifteenth Supplemental Indenture or other instruments with respect thereto as may be necessary shall have been duly filed or recorded as described in Schedule 4.13 (collectively, the "Collateral Filings") to establish and perfect the security interests and Liens of the Trustee upon the Collateral created by the Indenture (including the Fifteenth Supplemental Indenture) which can be perfected by filing the Indenture, the Fifteenth Supplemental Indenture or a UCC Financing Statement under the UCC), and the Company shall have delivered satisfactory evidence of such filings and recordings.

Section 4.14. Proceedings and Documents. All corporate and other proceedings in connection with the transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be satisfactory to such Purchaser and its special counsel, and such Purchaser and its special counsel shall have received all such counterpart originals or certified or other copies of such documents as such Purchaser or such special counsel may reasonably request.

SECTION 5. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants to each Purchaser that the representations and warranties contained in this Section 5 are true and correct as of the date of this Agreement and the Closing (except, in each case, to the extent any representation or warranty expressly relates to a different date, in which case such representation or warranty is true and correct as of such different date):

Section 5.1. Organization; Power and Authority. The Company is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation and is duly qualified as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, except, in each case, as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to execute and deliver this Agreement, the Indenture, and the Series Q Bonds and to perform the provisions hereof and thereof.

Section 5.2. Authorization, Etc. This Agreement and the Series Q Bonds have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof each Series Q Bond will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 5.3. Disclosure. The Company, through its agent, TD Securities (USA) LLC, has delivered to each Purchaser a copy of a confidential Private Placement Memorandum, dated August 21, 2018 (the "Memorandum"), relating to the transactions contemplated hereby. The Disclosure Documents (defined below) fairly describe, in all material respects, the general nature of the business and principal properties of the Company and its Subsidiaries. This Agreement, the Memorandum and the documents, certificates or other writings delivered to the Purchasers by or on behalf of the Company in connection with the transactions contemplated hereby and identified in Schedule 5.3, and the financial statements listed in Schedule 5.5 (this Agreement, the Memorandum and such documents, certificates or other writings identified in Schedule 5.3 and such financial statements listed in Schedule 5.5 delivered to each Purchaser being referred to, collectively, as the "Disclosure Documents"), taken as a whole, do not, as of their respective dates, contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. Except as disclosed in the Disclosure Documents, since December 31, 2017, there has been no change in the financial condition, operations, business or properties of the Company and its Subsidiaries (taken as a whole) except changes that individually or in the aggregate would not reasonably be expected to have a Material Adverse Effect. There is no fact known to the Company that would reasonably be expected to have a Material Adverse Effect that has not been set forth herein or in the Disclosure Documents.

Section 5.4. Organization and Ownership of Shares of the Company and Subsidiaries; Affiliates. (a) Schedule 5.4 contains (except as noted therein) complete and correct lists (i) of the Company's Subsidiaries, showing, as to each Subsidiary, the correct name thereof, the jurisdiction of its organization, and the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by the Company and each other Subsidiary, (ii) of the Company's Affiliates, other than Subsidiaries, and (iii) of the Company's directors and senior officers.

(b) All of the outstanding shares of capital stock or similar equity interests of each Subsidiary shown in Schedule 5.4 as being owned by the Company and its Subsidiaries have been validly issued, are fully paid and nonassessable and are owned by the Company or another Subsidiary free and clear of any Lien (except for Permitted Encumbrances or as otherwise disclosed in Schedule 5.4).

(c) Each Subsidiary identified in Schedule 5.4 is a corporation or other legal entity duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, and is duly qualified as a foreign corporation or other legal entity and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each such Subsidiary has the corporate or other power and authority to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact except, in each case, as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(e) Unitil owns all of the common stock of the Company and certain Persons other than Unitil own preferred stock of the Company.

statements, to normal year-end adjustments). The Company and its Subsidiaries do not have any Material liabilities that are not disclosed on such financial statements or otherwise disclosed in the Disclosure Documents except liabilities, as would not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect.

Section 5.6. Compliance with Laws, Other Instruments, Etc. The execution, delivery and performance by the Company of this Agreement, the Fifteenth Supplemental Indenture, and the Series Q Bonds will not (i) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien (other than the Lien of the Indenture) in respect of any property of the Company or any Subsidiary under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter or by-laws, members agreement or any other Material agreement or instrument to which the Company or any Subsidiary is bound or by which the Company or any Subsidiary or any of their respective properties may be bound or affected, (ii) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Subsidiary or (iii) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Subsidiary except, in each case, as would not reasonably be expected to have a Material Adverse Effect.

The issuance and sale of the Series Q Bonds has been authorized by order of the NHPUC, which has become final and all applicable appeal periods with respect to the NHPUC order have expired. Except as described above, no other order, consent, approval or authorization of, or any declaration or filing with, any other Governmental Authority is required as a condition precedent to the execution and delivery of the Series Q Bonds by the Company and the consummation by the Company of the transactions contemplated hereby.

The Company knows of no basis for any other tax or assessment that could, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The charges, accruals and reserves on the books of the Company and its Subsidiaries in respect of income taxes for all fiscal periods are recognized in accordance with GAAP, and, except as disclosed in the Disclosure Documents, the Company knows of no Material unpaid assessment for additional income taxes for any fiscal period or any reasonable basis therefor. As of the date of this Agreement, the federal income tax liabilities of the Company and its Subsidiaries have been finally determined (whether by reason of completed audits or the statute of limitations having run) for all fiscal years up to and including the fiscal year ended December 31, 2014.

Section 5.11. Licenses, Permits, Etc. (a) The Company and its Subsidiaries own or possess all licenses, permits, franchises, authorizations, patents, copyrights, proprietary software, service marks, trademarks and trade names, or rights thereto, that individually or in the aggregate are Material, without known conflict with the rights of others, except in each case for such lack of ownership or possession or for those conflicts that, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

(b) To the knowledge of the Company, there is no Material violation by any Person of any right of the Company or any of its Subsidiaries with respect to any patent, copyright, proprietary software, service mark, trademark, trade name or other right owned or used by the Company or any of its Subsidiaries that would reasonably be expected to have a Material Adverse Effect.

(b) Neither the Company nor any Subsidiary has agreed or consented to cause or permit in the future (upon the happening of a contingency or otherwise) any of its property, whether now owned or hereafter acquired, to be subject to a Lien other than Liens permitted by the Indenture.

(d) The Company has established procedures and controls which it reasonably believes are adequate (and otherwise comply with applicable law) to ensure that the Company and each Controlled Entity is and will continue to be in compliance with all applicable U.S. Economic Sanctions Laws, Anti-Money Laundering Laws and Anti-Corruption Laws.

The Company does not intend to incur, nor does it believe, nor should it believe that it will incur, debts beyond its ability to pay such debts as they become due. The Company will not be rendered insolvent by the execution, delivery and performance of its obligations under or in respect of the Series Q Bonds or this Agreement. The Company does not intend to hinder, delay or defraud its creditors by or through the execution, delivery or performance of its obligations under or in respect of the Series Q Bonds or this Agreement.

Section 7.2. Officer's Certificate. Each set of financial statements delivered to a holder of Series Q Bonds pursuant to Section 7.1(a) or Section 7.1(b) shall be accompanied by a certificate of a Senior Financial Officer (which in the case of Electronic Delivery of any such financial statements, the Form 10-Q or the Form 10-K, as applicable, shall be by separate delivery of such certificate to each holder of Series Q Bonds within the time periods specified in Section 7.1(a) or Section 7.1(b), as applicable) setting forth:

In the event that the Company or any Subsidiary has made an election to measure any financial liability using fair value (which election is being disregarded for purposes of determining compliance with this Agreement pursuant to Section 22.2) as to the period covered by any such financial statement, such Senior Financial Officer's certificate as to such period shall include a reconciliation from GAAP with respect to such election; and

(b) Event of Default — a statement that such Senior Financial Officer has reviewed the relevant terms hereof and has made, or caused to be made, under his or her supervision, a review of the transactions and conditions of the Company and its Subsidiaries from the beginning of the quarterly or annual period covered by the statements then being furnished to the date of the certificate and that such review shall not have disclosed the existence during such period of any condition or event that constitutes a Default or an Event of Default or, if any such condition or event existed or exists (including, without limitation, any such event or condition resulting from the failure of the Company or any Subsidiary to comply with any Environmental Law), specifying the nature and period of existence thereof and what action the Company shall have taken or proposes to take with respect thereto.

Section 7.3. Visitation. The Company shall permit the representatives of each holder of Series Q Bonds that is an Institutional Investor:

Each holder of the Series Q Bonds agrees to keep confidential any Confidential Information received as a result of the rights granted in this Section 7 in the manner provided in Section 20.

Section 8. Payment and Prepayment of the Series Q Bonds.

Section 8.1. Payments on the Series Q Bonds. (a) The Company covenants that it will duly and punctually pay the principal, premium, if any, and interest on the Series Q Bonds until none of the Series Q Bonds shall be outstanding in accordance with the terms of this Agreement, the Series Q Bonds and, prior to the Collateral Release Date, the Indenture. Any Series Q Bond paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Series Q Bond shall be issued in lieu of any prepaid principal amount of any Series Q Bond in accordance with the terms of this Agreement, the Series Q Bonds and, prior to the Collateral Release Date, the Indenture.

(b) As provided therein, the entire unpaid principal balance of each Series Q Bond shall be due and payable on the Maturity Date thereof.

Section 8.2. Payments from and after the Collateral Release Date. From and after the Collateral Release Date so long as any of the Series Q Bonds are outstanding, the following provisions shall apply to prepayments of the Series Q Bonds, in addition to the provisions set forth in Section 8.1.

Section 8.2.1. **Optional Prepayments.** Before the date that is six months prior to the Maturity Date, the Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Series Q Bonds (but if in part then in a minimum aggregate principal amount of \$100,000), at 100% of the principal amount so prepaid, together with interest accrued thereon to the date of such prepayment, plus the Make-Whole Amount determined for the prepayment date with respect to such principal amount. On and after the date that is six months prior to the Maturity Date, the Company may, at its option, upon notice as provided below, prepay at any time all the Series Q Bonds at 100% of the principal amount so prepaid, together with interest accrued thereon to the date of such prepayment, but without payment of the Make-Whole Amount.

The Company will give each holder of Series Q Bonds written notice of each optional prepayment under this Section 8.2.1 not less than 15 days and not more than 45 days prior to the date fixed for such prepayment unless the Company and the Required Holders agree to another time period pursuant to Section 17. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Series Q Bonds to be prepaid on such date, the principal amount of each Series Q Bond held by such holder to be prepaid (determined in accordance with Section 8.2.2), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount, if any, due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, the Company shall deliver to each holder of Series Q Bonds a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount, if any, as of the specified prepayment date.

Section 8.2.2. **Allocation of Partial Prepayments.** In the case of each partial prepayment of the Series Q Bonds pursuant to Section 8.2.1, the aggregate principal amount of the Series Q Bonds to be prepaid shall be allocated among all of the Series Q Bonds at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

Section 8.2.3. **Maturity; Surrender, Etc.** In the case of each prepayment of Series Q Bonds at the Company's option pursuant to this Section 8.2.1, the principal amount to be prepaid of each Series Q Bond shall mature and become due and payable on the date fixed for such prepayment (which shall be a Business Day), together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue.

Section 8.2.4. **Purchase of Series Q Bonds.** The Company will not and will not permit any Controlled Entity to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Series Q Bonds except (a) upon the payment or prepayment of the Series Q Bonds in accordance with the terms of this Agreement and the Series Q Bonds or (b) pursuant to an offer to purchase any outstanding Series Q Bonds made by the Company or a Controlled Entity pro rata to the holders of all Series Q Bonds at the time outstanding upon the same terms and conditions;

provided that any such offer pursuant to this clause (b) shall provide each holder with reasonably sufficient information to enable it to make an informed decision and shall remain open for at least ten Business Days. The Company will promptly cancel all Series Q Bonds acquired by it or any Controlled Entity pursuant to any payment, prepayment, or purchase of Series Q Bonds pursuant to any provision of this Agreement and no Series Q Bonds may be issued in substitution or exchange for any such Series Q Bonds.

Section 8.2.5. Payments Due on Non-Business Days. Anything in this Agreement or the Series Q Bonds to the contrary notwithstanding, (x) except as set forth in clause (y), any payment of interest on any Series Q Bond that is due on a date that is not a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; and (y) any payment of principal of or Make-Whole Amount on any Series Q Bond (including principal due on the Maturity Date of such Series Q Bond) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

SECTION 9. AFFIRMATIVE COVENANTS.

Section 9.1. Affirmative Covenants Prior to the Collateral Release Date. Prior to the Collateral Release Date so long as any of the Series Q Bonds are outstanding, the Company covenants that (a) if any Purchaser surrenders any Series Q Bond to the Company or the Trustee pursuant to this Agreement or the Indenture, the Company will pay the cost of transmitting between such Purchaser's home office and the Company or the Trustee, insured to such Purchaser's satisfaction, the surrendered Series Q Bond or Series Q Bonds and any Series Q Bond or Series Q Bonds issued in full or partial substitution or replacement for the surrendered Series Q Bond or Series Q Bonds, (b) the Company will pay all taxes in connection with the issuance and sale of the Series Q Bonds to each Purchaser and in connection with any modification of the Series Q Bonds (other than income and similar taxes) and will save such Purchaser harmless without limitation as to time against any and all liabilities with respect to all such taxes, and (c) will comply with all other terms, covenants, and agreements as set forth in the Indenture and the Series Q Bonds. The obligations of the Company under this Section 9 shall survive the payment or redemption of the Series Q Bonds and the termination of this Agreement.

Section 9.1.1. Release of the Collateral from the Lien of the Indenture. (a) The Company may, at its option, deliver to each holder of a Series Q Bond a written notice of the Company's election to release the Lien of the Indenture, and such holder shall execute and deliver, following such holder's receipt of such written notice, a consent to the Trustee directing the Trustee to take all necessary action to discharge and release all of the Collateral securing the Series Q Bonds from the Lien of the Indenture upon the satisfaction of the following conditions precedent (the "Collateral Release Conditions"):

(i) the Company shall have given notice to the holders of the Series Q Bonds and the Trustee at least 30 days prior to the release of the Collateral securing the Series Q Bonds from the Lien of the Indenture, specifying the proposed date for such release of the Collateral (the "Collateral Release Date");

(ii) all Collateral securing all Bonds (other than the Series Q Bonds) that are outstanding immediately prior to the release of the Collateral securing the Series Q Bonds from the Lien of the Indenture shall have been released on or prior to, or shall be released simultaneously with, the release of the Collateral securing the Series Q Bonds from the Lien of the Indenture pursuant to this Section 9.1.1;

(iii) at the time and after giving effect to the release of all the Collateral securing the Series Q Bonds from the Lien of the Indenture, no Default or Event of Default shall have occurred and be continuing;

(iv) at the time and after giving effect to the release of all the Collateral, the Company could incur \$1.00 of additional Funded Indebtedness under Section 10.1(a)(iii); and

(v) on or prior to the Collateral Release Date, each holder of a Series Q Bond shall have received (x) a certificate, that is reasonably acceptable in scope, form and substance to the Required Holders, dated the Collateral Release Date and executed on behalf of the Company by a respective Senior Financial Officer thereof, confirming the satisfaction of the Collateral Release Conditions set forth in the clauses above and (y) such other evidence as the Required Holders may reasonably request, by notice to the Company at least fifteen days prior to the Collateral Release Date, confirming the satisfaction of the Collateral Release Condition set forth in clause (iii) above.

(b) Without limiting the provisions of Section 15.1, the Company shall reimburse the holders of the Bonds and the Trustee for all costs and expenses, including attorneys' fees and disbursements, incurred by it in connection with any action contemplated by this Section 9.1.1.

Section 9.2. Affirmative Covenants from and after the Collateral Release Date. From and after the Collateral Release Date so long as any of the Series Q Bonds are outstanding, the Company covenants that:

Section 9.2.1. Compliance with Law. Without limiting Section 10.7, the Company will, and will cause each of its Subsidiaries to, comply with all laws, ordinances or governmental rules or regulations to which each of them is subject, including, without limitation, ERISA, Environmental Laws, the USA Patriot Act and the other laws and regulations that are referred to in Sections 5.16, 5.17, and 5.18 and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of their respective businesses, in each case to the extent necessary to ensure that non-compliance with such laws, ordinances or governmental rules or regulations or the failure to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.2.2. Insurance. The Company will insure and keep insured, and will cause each of its Subsidiaries to insure and keep insured, to a reasonable amount with reputable insurance companies, so much of their respective properties as companies engaged in a similar business and to the extent such companies in accordance with good business practice customarily insure properties of a similar character against loss by fire and from other causes or, in lieu thereof, in the case of itself or its Subsidiaries, the Company will maintain or cause to be maintained a system or systems of self-insurance which will accord with the approved practices of companies owning or operating properties of a similar character and maintaining such systems, and of a size similar to that of the Company and its direct and indirect Subsidiaries on a consolidated basis.

Section 9.2.3. Maintenance of Properties. The Company will, and will cause each of the Subsidiaries to, maintain and keep, or cause to be maintained and kept, their respective properties in good repair, working order and condition (other than ordinary wear and tear), so that the business carried on in connection therewith may be properly conducted at all times, provided that this Section shall not prevent the Company or any Subsidiary from discontinuing the operation and the maintenance of any of its properties if such discontinuance is desirable in the conduct of its business and the Company has concluded that such discontinuance would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.2.4. Payment of Taxes and Claims . The Company will, and will cause each of its Subsidiaries to, file all income tax or similar tax returns required to be filed in any jurisdiction and to pay and discharge all taxes shown to be due and payable on such returns and all other taxes, assessments, governmental charges, or levies imposed on them or any of their properties, assets, income or franchises, to the extent the same have become due and payable and before they have become delinquent and all claims for which sums have become due and payable that have or might become a Lien on properties or assets of the Company or any Subsidiary, provided that neither the Company nor any Subsidiary need file any such return or pay any such tax, assessment, charge, levy or claim if (i) the amount, applicability or validity thereof is contested by the Company or such Subsidiary on a timely basis in good faith and in appropriate proceedings, and the Company or a Subsidiary has established adequate reserves therefor in accordance with GAAP on the books of the Company or such Subsidiary or (ii) the non-filing of any such return or the nonpayment of all such taxes, assessments, charges, levies and claims would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.2.5. Corporate Existence, Etc.; Ownership of Subsidiaries. (a) Subject to Section 10.4(ii) the Company will at all times preserve and keep in full force and effect its corporate existence. Subject to Section 10.4, the Company will at all times preserve and keep in full force and effect the legal existence of each of its Subsidiaries (unless merged into the Company or a Wholly-Owned Subsidiary) and all rights and franchises of the Company and its Subsidiaries unless, in the good faith judgment of the Company, the termination of or failure to preserve and keep in full force and effect such legal existence, right or franchise would not, individually or in the aggregate, have a Material Adverse Effect.

(b) Notwithstanding anything to the contrary contained herein, except pursuant to an action or order by a Governmental Authority, one hundred percent of all of the common stock (except directors' qualifying shares) and voting interests relating to the common stock of the Company shall at all times be and remain owned (directly or indirectly) by Unitil.

Section 9.2.6. Books and Records. The Company will, and will cause each of its Subsidiaries to, maintain proper books of record and account in conformity with GAAP and all applicable requirements of any Governmental Authority having legal or regulatory jurisdiction over the Company or such Subsidiary, as the case may be.

Section 9.2.7. Series Q Bonds to Rank Pari Passu. The Company will ensure that its payment obligations under this Agreement and the Series Q Bonds will at all times rank at least pari passu, without preference or priority, with all other senior unsecured Funded Indebtedness of the Company.

Section 9.2.8. Guarantors. (a) The Company will cause any Person that guarantees or otherwise becomes liable at any time, whether as a borrower or an additional or co-borrower or otherwise, for or in respect of any Indebtedness under any Material Credit Facility to concurrently therewith:

(i) enter into an agreement in form and substance satisfactory to the Required Holders providing for the guaranty by such Person, on a joint and several basis with all other such Persons, of (x) the prompt payment in full when due of all amounts payable by the Company pursuant to the Series Q Bonds (whether for principal, interest, Make-Whole Amount or otherwise) and this Agreement, including all indemnities, fees and expenses payable by the Company thereunder and (y) the prompt, full and faithful performance, observance and discharge by the Company of each and every covenant, agreement, undertaking and provision required pursuant to the Series Q Bonds or this Agreement to be performed, observed or discharged by it (a "Guaranty Agreement"); and

(ii) deliver the following to each holder of a Series Q Bond:

(A) an executed counterpart of such Guaranty;

(B) a certificate signed by an authorized responsible officer of such Person containing representations and warranties on behalf of such Person to the same effect, mutatis mutandis, as those contained in Sections 5.1, 5.2, 5.6, and 5.7 of this Agreement (but with respect to such Person and such Guaranty rather than the Company);

(C) all documents as may be reasonably requested by the Required Holders to evidence the due organization, continuing existence and, where applicable, good standing of such Person and the due authorization by all requisite action on the part of such Person of the execution and delivery of such Guaranty and the performance by such Person of its obligations thereunder; and

(D) an opinion of counsel reasonably satisfactory to the Required Holders covering such matters relating to such Person and such Guaranty as the Required Holders may reasonably request.

In addition to the foregoing, if the Bank Credit Agreement shall contain (or be amended to contain) covenants, reporting obligations or events of default related to such Bank Guarantor, then the Company shall deliver an amendment to this Agreement to add similar covenants, reporting obligations and events of default related to such Bank Guarantor for the benefit of the holders of the Series Q Bonds, and until such time as such amendment is delivered, this Agreement shall be deemed, without any action on the part of the parties hereto, to be amended to include such additional covenants, reporting obligations and events of default as if set forth herein in full. If the Bank Credit Agreement shall cease to contain such covenants, reporting obligations or events of default related to such Bank Guarantor, then the Company and the holders of the Series Q Bonds shall deliver an amendment to this Agreement to remove such similar covenants, reporting obligations and events of default related to such Bank Guarantor, and until such time as such amendment is delivered, this Agreement shall be deemed, without any action on the part of the parties hereto, to be amended to exclude such covenants, reporting obligations and events of default as if set forth herein in full.

(b) At the election of the Company and by written notice to each holder of Series Q Bonds, any Guarantor that has provided a Guaranty under subparagraph (a) of this Section 9.2.8 may be discharged from all of its obligations and liabilities under its Guaranty and shall be automatically released from its obligations thereunder without the need for the execution or delivery of any other document by the holders, provided that (i) if such Guarantor is a guarantor or is otherwise liable for or in respect of any Material Credit Facility, then such Guarantor has been released and discharged (or will be released and discharged concurrently with the release of such Guarantor under its Guaranty) under such Material Credit Facility, (ii) at the time of, and after giving effect to, such release and discharge, no Default or Event of Default shall be existing, (iii) no amount is then due and payable under such Guaranty, (iv) if in connection with such Guarantor being released and discharged under any Material Credit Facility, any fee or other form of consideration is given to any holder of Indebtedness under such Material Credit Facility for such release, the holders of the Series Q Bonds shall receive equivalent consideration substantially concurrently therewith, and (v) each holder shall have received a certificate of a Responsible Officer certifying as to the matters set forth in clauses (i) through (iv). In the event of any such release, for purposes of Section 10.1, all Indebtedness of such Subsidiary shall be deemed to have been incurred concurrently with such release.

SECTION 10. NEGATIVE COVENANTS.

From and after the Collateral Release Date so long as any of the Series Q Bonds are outstanding, the Company covenants that:

Section 10.1. Limitation on Funded Indebtedness. (a) The Company will not, and will not permit any Subsidiary to, create, incur, assume or otherwise become liable for any Funded Indebtedness other than:

- (i) Funded Indebtedness evidenced by the Series Q Bonds;

(ii) Funded Indebtedness of the Company or any Subsidiary outstanding as of the Closing and reflected in Schedule 5.15 hereto; and

(iii) additional Funded Indebtedness, so long as the aggregate outstanding principal amount of such Funded Indebtedness, after giving effect to the application of the proceeds thereof (subject to the proviso set forth hereafter) and when added to all other Funded Indebtedness of the Company and its Subsidiaries (determined on a consolidated basis) then outstanding, does not exceed 65% of the Total Capitalization; provided, that in giving effect to the application of such proceeds, only applications which are substantially contemporaneous with the incurrence of such additional Funded Indebtedness shall be given such effect, except that if the application of such proceeds involves the redemption of other securities of the Company, and such redemption cannot be made substantially contemporaneously with the incurrence of such additional Funded Indebtedness, then such intended redemption shall nevertheless be given effect for purposes hereof if either (1) the Company shall have given irrevocable written notice of redemption of such other securities to the holders thereof at or prior to the time of the incurrence of such additional Funded Indebtedness and such redemption is thereafter made in accordance with the terms of such notice, or (2) if such notice was not permitted to be given at or prior to the time of the incurrence of such additional Funded Indebtedness and the redemption will occur within 180 days after such incurrence, then (A) the proceeds of such Funded Indebtedness to be used for such redemption shall have been set aside in an escrow or trust account with a United States bank or other financial institution having capital and surplus of at least \$35,000,000, together with written instructions to the escrow agent or trustee to send notice of redemption of such securities provided by the Company to the holders thereof in accordance with the terms of such securities and thereafter to use such proceeds for such redemption in accordance with the terms of such notice, such escrow or trust account to also provide (x) that the funds set aside therein are not to be released to or for the benefit of the Company except for the purpose of accomplishing the redemption contemplated thereby, or with the prior written consent of all holders of Series Q Bonds then outstanding, and (y) that if the funds set aside therein are invested in securities by such bank or financial institution, they shall be invested only in direct obligations of the United States of America maturing in not more than 180 days, and (B) unless otherwise agreed to in writing by all of the holders of Series Q Bonds then outstanding, the redemption to be funded from such escrow or trust account is actually made in accordance with the terms under which such escrow or trust account is established.

(b) In addition to the limitations contained in Section 10.1(a), no Subsidiary shall create, incur, assume or become liable for, or have outstanding any Funded Indebtedness if, after giving effect thereto and to any concurrent transaction, the aggregate amount of all Funded Indebtedness of all Subsidiaries would exceed 20% of Total Shareholders' Equity.

(c) For the purposes of this Section 10.1, any Person becoming a Subsidiary after the date hereof shall be deemed, at the time it becomes a Subsidiary, to have incurred all of its then outstanding Indebtedness, and any Person extending, renewing or refunding any Indebtedness shall be deemed to have incurred such Indebtedness at the time of such extension, renewal or refunding.

Section 10.2. Limitation on Liens. Except as hereinafter in this Section expressly permitted, the Company will not at any time, nor will it permit any Subsidiary to, directly or indirectly, create, assume or suffer to exist, except in favor of the Company or any Subsidiary, any Lien upon any of its properties or assets, real or personal, whether now owned or hereafter acquired, or of or upon any income or profits therefrom, without making effective provision, and the Company covenants that in any such case it will make or cause to be made effective provision, whereby the Series Q Bonds then outstanding shall be secured by such Lien equally and ratably with any and all other Indebtedness to be secured thereby pursuant to documentation reasonably acceptable to the Required Holders in substance and in form, including, without limitation, an intercreditor agreement and opinions of counsel to the Company and/or any such Subsidiary, as the case may be, from counsel that is reasonably acceptable to the Required Holders, so long as any such other Indebtedness shall be so secured.

Section 10.7. Economics Sanctions Regulations. The Company will not, and will not permit any Controlled Entity to (a) become (including by virtue of being owned or controlled by a Blocked Person), own or control a Blocked Person or (b) directly or indirectly have any investment in or engage in any dealing or transaction (including any investment, dealing or transaction involving the proceeds of the Series Q Bonds) with any Person if such investment, dealing or transaction (i) would cause any holder to be in violation of, or subject to sanctions under, any law or regulation applicable to such holder, or (ii) is prohibited by or subject to sanctions under any U.S. Economic Sanctions Laws.

Prior to the Collateral Release Date, remedies upon the occurrence of a “Default” or “Event of Default” (as defined in the Indenture) shall be governed by the Indenture.

From and after the Collateral Release Date, the following remedies shall be applicable upon the occurrence of an Event of Default:

Section 12.1. Acceleration. (a) If an Event of Default with respect to the Company described in Section 11.2(g) or (h) (other than an Event of Default described in clause (i) of Section 11.2(g) or described in clause (vi) of Section 11.2(g) by virtue of the fact that such clause encompasses clause (i) of Section 11.2(g)) has occurred, all the Series Q Bonds then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, any holder or holders of at least 66-2/3% in principal amount of the Series Q Bonds at the time outstanding may at any time at its or their option, by notice or notices to the Company, declare all the Series Q Bonds then outstanding to be immediately due and payable.

The Company acknowledges, and the parties hereto agree, that each holder of a Series Q Bond has the right to maintain its investment in the Series Q Bonds free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Company in the event that the Series Q Bonds are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 12.2. Other Remedies. If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Series Q Bonds have become or have been declared immediately due and payable under Section 12.1, the holder of any Series Q Bond at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Series Q Bond or Guaranty Agreement, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

Section 12.3. Rescission. Section 12.4. No Waivers or Election of Remedies, Expenses, Etc. No course of dealing and no delay on the part of any holder of any Series Q Bond in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement, any Guaranty Agreement or any Series Q Bond upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each Series Q Bond on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

SECTION 13. REGISTRATION; EXCHANGE; SUBSTITUTION OF SERIES Q BONDS.

Section 13.1. Registration of Series Q Bonds. Prior to due presentment for registration of transfer, the Person in whose name any Series Q Bond shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Series Q Bond that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Series Q Bonds.

Each such new Series Q Bond shall be payable to such Person as such holder may request and shall be substantially in the form of the Series Q Bond originally issued hereunder. Each such new Series Q Bond shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Series Q Bond or dated the date of the surrendered Series Q Bond if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Series Q Bonds. Series Q Bonds shall not be transferred in denominations of less than \$500,000, provided that if necessary to enable the registration of transfer by a holder of its entire holding of Series Q Bonds, one Series Q Bond may be in a denomination of less than \$500,000. Any transferee, by its acceptance of a Series Q Bond registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.2 and shall be bound by the terms of this Agreement.

Section 13.3. Replacement of Series Q Bonds. From and after the Collateral Release Date as long as any Series Q Bonds remain outstanding, upon receipt by the Company at the address and to the attention of the designated officer (all as specified in Section 18(iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Series Q Bond (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such Series Q Bond is, or is a nominee for, an original Purchaser or another Institutional Investor that is a holder of a Series Q Bond with a minimum net worth of at least \$5,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof, within ten Business Days thereafter, the Company at its own expense shall execute and deliver, in lieu thereof, a new Series Q Bond, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Series Q Bond or dated the date of such lost, stolen, destroyed or mutilated Series Q Bond if no interest shall have been paid thereon.

SECTION 14. PAYMENTS ON SERIES Q BONDS.

Section 14.1. Place of Payment. Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Series Q Bonds shall be made in Hampton, New Hampshire, at the principal office of the Company in such jurisdiction. The Company may at any time, by notice to each holder of a Series Q Bond, change the place of payment of the Series Q Bonds so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

Section 14.2. Home Office Payment. (a) The terms of this Section 14.2(a) only apply prior to the Collateral Release Date so long as any Series Q Bonds remain outstanding. Pursuant to the provisions of Section 1.01 of the Fifteenth Supplemental Indenture and notwithstanding anything in the Indenture or the Series Q Bonds to the contrary, the Company will pay or cause to be paid all sums becoming due on any Series Q Bond owned by a holder or such holder's nominee in the manner specified in Schedule A hereto or as such holder may otherwise designate by written notice to the Company with a copy to the Trustee and all such payments shall be made without presentation or surrender of such Series Q Bond to the Trustee; provided, that such holder agrees that it will not sell, transfer or otherwise dispose of any such Series Q Bond unless, prior to the delivery thereof, either (i) such holder shall have made a clear and accurate notation of the amount of the principal redeemed on the Series Q Bond to be transferred, or (ii) such Series Q Bond shall have been presented to the Trustee for appropriate notation thereon of the portion of the principal redeemed on the Series Q Bond or (iii) the Series Q Bond shall have been surrendered in exchange for a new Series Q Bond for the unredeemed balance of the principal amount thereof. By acceptance of any Series Q Bond, each holder of a Series Q Bond agrees that prior to receiving any final payment of the entire remaining unpaid principal amount of any Series Q Bond pursuant to this Section 14.2(a), such holder shall be required to deliver such Series Q Bond to the Trustee. Such holder's rights under this Section 14.2(a) and Section 1.01 of the Fifteenth Supplemental Indenture may be exercised by any subsequent Institutional Holder who shall enter into an agreement in writing with the Company containing the terms set forth in this Section 14.2(a) and deliver a copy thereof to the Trustee.

(b) The terms of this Section 14.2(b) only apply from and after the Collateral Release Date, so long as any Purchaser or its nominee shall be the holder of any Series Q Bond. Notwithstanding anything contained in Section 14.1 or in such Series Q Bond to the contrary, the Company will pay all sums becoming due on such Series Q Bond for principal, Make-Whole Amount, if any, interest and all other amounts becoming due hereunder by the method and at the address specified for such purpose below such Purchaser's name in Schedule A, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Series Q Bond or the making of any notation thereon, except that upon written request of the Company made concurrently with or

reasonably promptly after payment or prepayment in full of any Series Q Bond, such Purchaser shall surrender such Series Q Bond for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Series Q Bond held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Series Q Bond to the Company in exchange for a new Series Q Bond or Series Q Bonds pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2(b) to any Institutional Investor that is the direct or indirect transferee of any Series Q Bond purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Series Q Bond as the Purchasers have made in this Section 14.2(b).

Section 14.3. FATCA Information. By acceptance of any Series Q Bond, the holder of such Series Q Bond agrees that such holder will with reasonable promptness duly complete and deliver to the Company and, prior to the Collateral Release Date, the Trustee, or to such other Person as may be reasonably requested by the Company, from time to time (a) in the case of any such holder that is a United States Person, such holder's United States tax identification number or other Forms reasonably requested by the Company necessary to establish such holder's status as a United States Person under FATCA and as may otherwise be necessary for the Company to comply with its obligations under FATCA and (b) in the case of any such holder that is not a United States Person, such documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Code) and such additional documentation as may be necessary for the Company to comply with its obligations under FATCA and to determine that such holder has complied with such holder's obligations under FATCA or to determine the amount (if any) to deduct and withhold from any such payment made to such holder. Nothing in this Section 14.3 shall require any holder to provide information that is confidential or proprietary to such holder unless the Company is required to obtain such information under FATCA and, in such event, the Company shall treat any such information it receives as confidential.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Series Q Bonds, the purchase or transfer by any Purchaser of any Series Q Bond or portion thereof or interest therein and the payment of any Series Q Bond and may be relied upon by any subsequent holder of a Series Q Bond, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Series Q Bond. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company as of the date of such statements under this Agreement. Subject to the preceding sentence, this Agreement, the Series Q Bonds and any Guaranty Agreement embody the entire agreement and understanding between each Purchaser and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

Section 17.2. Solicitation of Holders of Series Q Bonds.

(a) Solicitation. The Company will provide each holder of the Series Q Bonds (irrespective of the amount of Series Q Bonds then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Series Q Bonds or any Guaranty Agreement. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 or any Guaranty Agreement to each holder of outstanding Series Q Bonds promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Series Q Bonds.

(b) Payment. The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of Series Q Bonds as consideration for or as an inducement to the entering into by such holder of any waiver or amendment of any of the terms and provisions hereof or of any Guaranty Agreement or any Series Q Bond unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of Series Q Bonds then outstanding even if such holder did not consent to such waiver or amendment.

(c) Consent in Contemplation of Transfer. Any consent made pursuant to this Section 17 or any Guaranty Agreement by a holder of Series Q Bonds that has transferred or has agreed to transfer its Series Q Bonds to the Company or any Controlled Entity in connection with such consent shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Series Q Bonds that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

Section 17.3. Binding Effect, Etc. Any amendment or waiver consented to as provided in this Section 17 or any Guaranty Agreement applies equally to all holders of Series Q Bonds and is binding upon them and upon each future holder of any Series Q Bond and upon the Company without regard to whether such Series Q Bond has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and the holder of any Series Q Bond nor any delay in exercising any rights hereunder or under any Series Q Bond or any Guaranty Agreement shall operate as a waiver of any rights of any holder of such Series Q Bond. As used herein, the term "this Agreement" and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

Section 17.4. Series Q Bonds Held by Company, Etc. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Series Q Bonds then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement, any Guaranty Agreement or the Series Q Bonds, or have directed the taking of any action provided herein or in any Guaranty Agreement or the Series Q Bonds to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Series Q Bonds then outstanding, Series Q Bonds directly or indirectly owned by the Company or any Controlled Entity shall be deemed not to be outstanding.

SECTION 18. NOTICES.

All notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid), or (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by a recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

(i) if to any Purchaser or its nominee, to such Purchaser or nominee at the address specified for such communications in Schedule A, or at such other address as such Purchaser or nominee shall have specified to the Company in writing,

(ii) if to any other holder of any Series Q Bond, to such holder at such address as such other holder shall have specified to the Company in writing, or

(iii) if to the Company, to the Company at its address set forth at the beginning hereof to the attention of Treasurer, or at such other address as the Company shall have specified to the holder of each Series Q Bond in writing.

Notices under this Section 18 will be deemed given only when actually received.

SECTION 19. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at the Closing (except the Series Q Bonds themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital, or other similar process and such Purchaser may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other holder of Series Q Bonds from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

SECTION 20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, "Confidential Information" means information delivered to any Purchaser by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of the Company, such Subsidiary, Unitil or Unitil's Affiliates, provided that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on such Purchaser's behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by the Company or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available

Each Purchaser will maintain the confidentiality of and not disclose such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, provided that such Purchaser may deliver or disclose Confidential Information to (i) its directors, officers, employees, agents, attorneys, trustees and Affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Series Q Bonds) who are otherwise obligated to hold confidential and not disclose the Confidential Information substantially in accordance with this Section 20, (ii) its auditors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 20, (iii) any other holder of any Series Q Bond, (iv) any Institutional Investor to which it sells or offers to sell such Series Q Bond or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (v) any Person from which it offers to purchase any security of the Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser's investment portfolio, or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser's Series Q Bonds, this Agreement or any Guaranty Agreement after prior written notice provided to the Company.

Each holder of a Series Q Bond, by its acceptance of a Series Q Bond, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Series Q Bond of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying the provisions of this Section 20.

In the event that as a condition to receiving access to information relating to the Company or its Subsidiaries in connection with the transactions contemplated by or otherwise pursuant to this Agreement, any Purchaser or holder of a Series Q Bond is required to agree to a confidentiality undertaking (whether through IntraLinks, another secure website, a secure virtual workspace or otherwise) which is different from this Section 20, this Section 20 shall not be amended thereby and, as between such Purchaser or such holder and the Company, this Section 20 shall supersede any such other confidentiality undertaking.

SECTION 21. SUBSTITUTION OF PURCHASER.

Each Purchaser shall have the right to substitute any one of its Affiliates as the purchaser of the Series Q Bonds that it has agreed to purchase hereunder, by written notice to the Company, which notice shall be signed by both such Purchaser and such Affiliate, shall contain such Affiliate's agreement to be bound by this Agreement and shall contain a confirmation by such

Affiliate of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Purchaser in this Agreement (other than in this Section 21), shall be deemed to refer to such Affiliate in lieu of such original Purchaser. In the event that such Affiliate is so substituted as a Purchaser hereunder and such Affiliate thereafter transfers to such original Purchaser all of the Series Q Bonds then held by such Affiliate, upon receipt by the Company of notice of such transfer, any reference to such Affiliate as a "Purchaser" in this Agreement (other than in this Section 21), shall no longer be deemed to refer to such Affiliate, but shall refer to such original Purchaser, and such original Purchaser shall again have all the rights of an original holder of the Series Q Bonds under this Agreement.

SECTION 22. MISCELLANEOUS.

Section 22.1. Successors and Assigns. All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including any subsequent holder of a Series Q Bond) whether so expressed or not, except that, other than as provided in Section 10.4, the Company may not assign or otherwise transfer any of its rights or obligations hereunder or under the Series Q Bonds without the prior written consent of each holder. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto and their respective successors and assigns permitted hereby) any legal or equitable right, remedy or claim under or by reason of this Agreement.

Section 22.2. Accounting Terms. All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, (i) all computations made pursuant to this Agreement shall be made in accordance with GAAP, and (ii) all financial statements shall be prepared in accordance with GAAP. For purposes of determining compliance with this Agreement (including, without limitation, Section 9, Section 10, and the definition of "Indebtedness"), any election by the Company to measure any financial liability using fair value (as permitted by Financial Accounting Standards Board Accounting Standards Codification Topic No. 825-10-25 – Fair Value Option, International Accounting Standard 39 – Financial Instruments: Recognition and Measurement or any similar accounting standard) shall be disregarded and such determination shall be made as if such election had not been made.

Section 22.3. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

Section 22.4. Construction, Etc. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

Defined terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” Unless the context requires otherwise (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein) and, for purposes of the Series Q Bonds, shall also include any such Series Q Bonds issued in substitution therefor pursuant to Section 13, (b) subject to Section 22.1, any reference herein to any Person shall be construed to include such Person’s successors and assigns, (c) the words “herein,” “hereof” and “hereunder,” and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Sections and Schedules shall be construed to refer to Sections of, and Schedules to, this Agreement, and (e) any reference to any law or regulation herein shall, unless otherwise specified, refer to such law or regulation as amended, modified or supplemented from time to time.

For the avoidance of doubt, all Schedules and Exhibits attached to this Agreement shall be deemed to be a part hereof.

Section 22.5. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

Section 22.6. Governing Law. This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

Section 22.7. Jurisdiction and Process; Waiver of Jury Trial. (a) The Company irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Series Q Bonds. To the fullest extent permitted by applicable law, the Company irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) The Company consents to process being served by or on behalf of any holder of Series Q Bonds in any suit, action or proceeding of the nature referred to in Section 22.7(a) by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, return receipt requested, to it at its address specified in Section 18 or at such other address of which such holder shall then have been notified pursuant to said Section. The Company agrees

that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(c) Nothing in this Section 22.7 shall affect the right of any holder of a Series Q Bond to serve process in any manner permitted by law, or limit any right that the holders of any of the Series Q Bonds may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(d) The parties hereto hereby waive trial by jury in any action brought on or with respect to this Agreement, the Series Q Bonds or any other document executed in connection herewith or therewith.

This bond is one of a duly authorized issue of First Mortgage Bonds of the Company limited as to aggregate principal amount as set forth in the Indenture hereinafter mentioned, issuable in series, and is one of a series known as First Mortgage Bonds, Series Q, and all bonds of all series being issued and to be issued under and pursuant to the 2018 Series Q BPA and in accordance with the Fifteenth Supplemental Indenture and, prior to the Collateral Release Date, all equally secured (except as any sinking or other fund, established in accordance with the provisions of the Indenture hereinafter mentioned, may afford additional security for the bonds of any particular series) by an Indenture of Mortgage and Deed of Trust dated as of July 15, 1958 (herein called the "*Original Indenture*") duly executed and delivered by the Company to Old Colony Trust Company (The First National Bank of Boston, and State Street Bank and Trust Company being the initial successor Trustees and U.S. Bank National Association being the current successor Trustee, the "*Trustee*"), to which Original Indenture, as amended and restated by the Twelfth Supplemental Indenture, and supplemented by a Thirteenth Supplemental Indenture dated as of September 26, 2006, a Fourteenth Supplemental Indenture dated as of March 2, 2010, and a Fifteenth Supplemental Indenture (the "*Fifteenth Supplemental Indenture*") dated as of November 29, 2018 (herein together called the "*Indenture*") reference is hereby made for a description of the property transferred, assigned and mortgaged thereunder, the nature and extent of the security, the terms and conditions upon which the bonds are secured and additional bonds may be issued and secured, and the rights of the holders or registered owners of said bonds, of the Trustee and of the Company in respect of such security. Neither the foregoing reference to the Indenture, nor any provision of this bond or of the Indenture, shall affect or impair the obligation of the Company, which is absolute, unconditional and unalterable, to pay, at the stated or accelerated maturities herein provided, the principal of and premium, if any, and interest on this bond as herein provided. Bonds of this Series Q are also issued in accordance with the terms of the 2018 Series Q BPA and are entitled to the benefits thereof. The 2018 Series Q BPA also provides that, upon the written request of the Company and the satisfaction of the conditions provided in Section 9.1.1 thereof, the lien of the Indenture shall be cancelled, discharged, and released from all of the property and collateral securing the repayment of the Bonds of this Series Q and, at such time, the Indenture shall cease and terminate and the 2018 Series Q Bonds shall be solely governed in accordance with the terms hereof and of the 2018 Series Q BPA. As provided herein, the entire unpaid principal balance of each Series Q Bond shall be due and payable on the Maturity Date. In addition, the Series Q Bonds are subject to optional redemption in accordance with the terms of the Indenture and the 2018 Series Q BPA.

The following provisions only apply on or prior to the Collateral Release Date:

(a) Bonds of this Series Q are also redeemable, in whole or in part, in integral multiples of one hundred thousand dollars, at the option of the Company on any date on no more than 60, nor less than 30 days' notice prior to such redemption date, in the manner, with the effect, subject to the limitations and for the amounts specified in Section 1.04 of the Fifteenth Supplemental Indenture.

(b) On the conditions and in the manner provided in Section 1.05 of the Fifteenth Supplemental Indenture, Series Q Bonds may also become subject to redemption, in whole or in part, at any time on any date on no more than 60, nor less than 30 days' notice prior to such redemption date, in the manner, with the effect and for the amounts specified in said Section 1.05, by the use of moneys deposited with or paid to the Trustee as the proceeds of the sale or condemnation of property of the Company or as the proceeds of insurance policies deposited with or paid to the Trustee because of damage to or destruction of property of the Company.

(c) In the event that all or any part of the bonds of this Series Q shall be redeemed or otherwise discharged prior to their maturity pursuant to or in accordance with the order of any governmental commission or regulatory authority upon the reorganization, dissolution or liquidation of the Company, or otherwise, the registered owners of such Series Q Bonds shall be entitled to be paid therefor an amount specified in Section 1.06 of the Fifteenth Supplemental Indenture.

(d) The Indenture provides that, if notice of redemption of any bond issued pursuant to its terms, including the Series Q Bonds, or of any portion of the principal amount of any such bond selected for redemption has been duly given, then such bond or such portion thereof shall become due and payable on the redemption date, and, if the redemption price shall have been duly deposited with the Trustee, interest thereon shall cease to accrue from and after the redemption date, and that whenever the redemption price thereof shall have been duly deposited with the Trustee and notice of redemption shall have been duly given, or provision thereof made as provided in the Indenture, such bond or such portion thereof shall no longer be entitled to any lien or benefit of the Indenture.

(e) In case an Event of Default, as defined in the Indenture, occurs, the principal of this bond may become or may be declared due and payable prior to the stated maturity hereof in the manner and with the effect and subject to the conditions provided in the Indenture.

(f) This bond is transferable by the registered owner hereof, in person or by duly authorized attorney, upon books of the Company to be kept for that purpose at the corporate trust office of the Trustee under the Indenture, upon surrender thereof at said office for cancellation and upon presentation of a written instrument of transfer duly executed, and thereupon the Company shall issue in the name of the transferee or transferees, and the Trustee shall authenticate and deliver, a new registered bond or bonds, of like form and in an authorized denomination or in authorized denominations and of the same series, for the same aggregate principal amount. Bonds of Series Q upon surrender thereof at said office may be exchanged for the same aggregate principal amount of fully registered bonds of Series Q of another authorized denomination or other authorized denominations, all upon payment of the charges, if any, and subject to the terms and conditions specified in the Indenture.

(g) The Company and the Trustee may treat the registered owner of this bond as the absolute owner hereof for all purposes.

(h) With the consent of the Company and to the extent permitted by and as provided in the Indenture, any of the provisions of the Indenture or of any instrument supplemental thereto may be modified by the assent or authority of the holders of at least seventy-five per centum (75%) in principal amount of the bonds then outstanding thereunder, *provided, however*, that no such modification shall (i) extend the time or times or payment of the principal of, or the interest or premium, if any, on any bond, (ii) reduce the principal amount thereof or the rate of interest or

premium thereon, (iii) authorize the creation of any lien prior or equal to the lien of the Indenture upon any property subject to the lien thereof, or deprive any bondholder of the benefit of the lien of the Indenture, (iv) affect the rights under the Indenture of the holders of one or more, but less than all, of the series of bonds outstanding thereunder unless assented to by the holders of seventy-five per centum (75%) in aggregate principal amount of bonds outstanding thereunder of each of the series so affected, (v) reduce the percentage of bonds, the holders of which are required to assent to any such modification, or (vi) in any manner affect the rights or obligations of the Trustee without its written consent thereto.

(i) No recourse shall be had for the payment of the principal of or the interest on this bond or of any claim based hereon or in respect hereof or of the Indenture, against any incorporator, stockholder, officer or director of the Company, or of any successor company, whether by virtue of any statute or rule of law or by the enforcement of any assessment of penalty or otherwise, all such liability being by the acceptance hereof expressly waived and released and being also waived and released by the terms of the Indenture.

(j) Prior to the Collateral Release Date, this bond shall not be valid nor become obligatory for any purpose until it shall have been authenticated by the execution of the certificate hereon endorsed by the Trustee under the Indenture. From and after the Collateral Release Date, this bond shall not be required to be authenticated by the execution of the certificate hereon endorsed by the Trustee under the Indenture.

**FORM OF OPINION OF SPECIAL COUNSEL
TO THE COMPANY**

The following opinions are to be provided by special counsel to the Company, subject to customary assumptions, limitations and qualifications. All capitalized terms used in the opinions without definition shall have the meanings ascribed thereto in the executed opinion letter, a draft of which has been provided to the Purchasers.

1. The Agreement constitutes a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms except that: (a) the foregoing may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally; (b) the foregoing is subject to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity) and (c) rights to indemnification or contribution thereunder may be limited by federal and state securities laws and public policy relating thereto.

2. Assuming (a) neither the Company, you nor any other party has engaged in a general solicitation, (b) the Company's representations and warranties set forth in Section 5 of the Agreement and the representations and warranties of each Purchaser in Section 6 of the Agreement are accurate, and (c) each Purchaser and the Company comply with the provisions of the Agreement, the offer, issuance, sale and delivery of the Bonds under the circumstances contemplated by the Agreement are exempt from the registration requirements of the Securities Act of 1933, as amended, and do not under existing law require the registration of the Bonds under the Securities Act of 1933, as amended, or the qualification of an indenture in respect thereof under the Trust Indenture Act of 1939; it being understood that no opinion is expressed as to any subsequent resale of any Bond issued on the date hereof.

3. To our knowledge, the issuance and sale of the Bonds and the execution, delivery and performance by the Company of the Agreement and the Fifteenth Supplemental Indenture (a) do not violate any material Applicable Laws, and (b) do not (i) violate or cause a breach of any of the provisions of, (ii) constitute a default under any of the provisions of, and (iii) result in the creation or imposition of any Lien upon any property of the Company under the provisions of, any agreement or other instrument listed on Schedule 5.15 of the Agreement to which the Company is a party or by which the Company is bound (other than pursuant to the Indenture) that constitutes outstanding Indebtedness of the Company.

4. Based upon the representations and warranties of the Company in Section 5 of the Agreement and each Purchaser's representations in Section 6 of the Agreement, the issuance of the Bonds issued on the date hereof, and the application of the proceeds thereof, will not result in a violation of Regulations U or X issued by the Board of Governors of the Federal Reserve System.

5. To our knowledge, without conducting a search of any dockets, there are, other than as described in the schedules to the Agreement, the Private Placement Memorandum (including all exhibits and schedules thereto) or the SEC Reports, no actions, suits, investigations or proceedings to which the Company is a party in any court or before any governmental authority

EXHIBIT 4.4(a)
(to Bond Purchase Agreement)

which, if determined adversely to the Company, would reasonably be expected to materially and adversely affect the Company's ability to perform its obligations under the Agreement, the Fifteenth Supplemental Indenture or the Bonds. The Company is not, to our knowledge, in default with respect to any order, judgment or decree of any court or governmental authority to which it is a party or by which it is bound.

6. The Company is not, and, after the consummation of the transactions contemplated by the Agreement and the application of the net proceeds therefrom as described in the Private Placement Memorandum, will not be required to register as an "investment company" within the meaning of the Investment Company Act of 1940, as amended (the "ICA"). In rendering the opinion set forth in this Paragraph, we have relied, as to all factual matters, solely on an officers' certificate from the Company. We note that, for purposes of determining whether an entity is required to register as an "investment company" within the meaning of the ICA, it is necessary to examine the "value" of the assets of such entity within the meaning of Section 2(a)(41)(A) of the ICA, which provides that the "value" of certain assets held by an entity shall be the "fair value" of such assets as determined in good faith by such entity's board of directors (or similar governing body). Although the officers' certificate makes certain certifications regarding the value of assets, the officer who executed the officers' certificate did not request the Board of Directors of the Company or any person to determine the value of any assets required to be valued at "fair value" pursuant to the ICA, but obtained values from other sources they deemed to be reliable. We have assumed that all such assets would have been valued at the same values ascribed to such assets in the officers' certificate had the Board of Directors of the Company determined the "fair value" thereof pursuant to the ICA.

**FORM OF OPINION OF GARY EPLER,
CHIEF REGULATORY COUNSEL FOR UNITIL SERVICE CORP.
AND
RANSMEIER & SPELLMAN P.C.**

Form of Opinion of Gary Epler

The following opinions are to be provided by Gary Epler, Chief Regulatory Counsel for Unitil Service Corp., subject to customary assumptions, limitations and qualifications. All capitalized terms used in the opinions without definition shall have the meanings ascribed thereto in the executed opinion letter, a draft of which has been provided to the Purchasers.

1. The Company is a corporation validly existing and in good standing under the laws of the State of New Hampshire, has the requisite corporate power and all necessary licenses, franchises, permits and rights to issue, sell and deliver the Bonds and to carry on its business, as described in the Private Placement Memorandum, and own its property and has duly authorized by all necessary corporate action its entry into and performance of the Agreement and the Fifteenth Supplemental Indenture and the issuance of the Bonds and its incurrence of the Indebtedness to be evidenced thereby.

2. The Agreement has been duly authorized by the Company.

3. The Fifteenth Supplemental Indenture has been duly authorized, executed and delivered by the Company and constitutes a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to bankruptcy, insolvency, fraudulent conveyance, fraudulent transfer, reorganization, moratorium or other similar laws relating to or affecting the rights and remedies of creditors and to general equitable principles (regardless of whether such principles are considered in a proceeding in equity or at law), and subject to the laws affecting the remedies for the enforcement of the security provided for therein, which laws do not, in my opinion, make inadequate the remedies provided therein for the realization of the benefits of such security; provided that under the law of the State of New Hampshire a purchaser at a foreclosure sale of such portion of the Company's Properties as constitutes a public utility would have to obtain the permission and approval of the NHPUC to engage in business as such a utility in the area in which such purchaser proposed to carry on such a utility business.

4. The Bonds issued on the date hereof have been duly authorized, executed and delivered by authorized officers of the Company and, upon payment and delivery in accordance with the Agreement and the Indenture, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to bankruptcy, insolvency, fraudulent conveyance, fraudulent transfer, reorganization, moratorium or other similar laws relating to or affecting the rights and remedies of creditors generally, and to general equitable principles (regardless of whether such principles are considered in a proceeding in equity or at law) and will be entitled to the benefits and security afforded by the Indenture equally and ratably with all other bonds outstanding under the Indenture.

EXHIBIT 4.4(b)
(to Bond Purchase Agreement)

5. The Company is not required to be licensed or qualified as a foreign corporation in any jurisdiction, except where the failure to so qualify would not reasonably be expected to have a material adverse effect on the condition (financial or other) of the Company.

6. The issuance and sale of the Bonds and the execution, delivery and performance by the Company of the Agreement and the Fifteenth Supplemental Indenture do not result in a violation of (i) any of the provisions of the Articles of Incorporation or the By-Laws, (ii) the New Hampshire Business Corporation Act or (iii) the public utility laws of the State of New Hampshire.

7. Subject to the qualifications and exceptions set forth in the opinion of Ransmeier & Spellman, P.C., which has been separately provided to you, the Indenture has been filed for record in all offices where such filings are necessary in order that it create a valid and effective Lien of record on all the Company's property intended to be subject thereto, and the Indenture creates the valid, direct first Lien which the Indenture purports to create upon the Company's property, real and personal, now owned or hereafter acquired, described therein, subject only to Liens permitted by the Indenture; and there is no requirement that the Indenture shall be refiled or rerecorded at any time or from time to time in order to continue or perfect the Lien thereof.

8. The issuance and sale of the Bonds have to the extent required by law been duly authorized by an order of the NHPUC, such order is in full force and effect and the applicable appeal period has expired. No other consent, exemption, approval or authorization by any other governmental authority is required in connection with the execution and delivery of the Agreement or the Fifteenth Supplemental Indenture or the issuance, sale and delivery of the Bonds, except such as may be required under state securities or blue sky laws in connection with the offer, sale and delivery of the Bonds (as to which I express no opinion).

Form of Opinion of Ransmeier & Spellman P.C.

The following opinions are to be provided by Ransmeier & Spellman P.C., subject to customary assumptions, limitations and qualifications. All capitalized terms used in the opinions without definition shall have the meanings ascribed thereto in the executed opinion letter, a draft of which has been provided to the Purchasers.

1. Based upon our examination of the records as aforesaid, it is our opinion that the Company holds good and marketable title to the property conveyed by the Mortgage subject only to the lien of the Mortgage, to permitted encumbrances as defined therein and other encumbrances and matters allowed thereby, and to the following further qualifications and exceptions....

2. Subject to the foregoing, it is our opinion that the Mortgage has been filed for record in all offices where such filings are necessary in order that it create a valid and effective Lien of record on all the Company's property intended to be subject thereto, including the above-referenced property of the Company owned by Exeter which was acquired by the Company as a result of the Merger; that the Mortgage creates the valid, direct first Lien which it purports to create upon the Company's property, real and personal, now owned or hereafter acquired, described therein subject only to the Liens permitted by the Mortgage; and that there is no requirement that the Mortgage be refiled or rerecorded at any time or from time to time in order to continue or perfect the Lien thereof.
